STAT Dear Mr. Morris:

This is in response to your letter of 6 August 1981 concerning  
[redacted]

STAT I have known [redacted] professionally for several years.  
In this Agency we have found him to be an extremely dedicated and  
valuable employee with a boundless capacity for hard work. His  
supervisors have commented on his heavy litigation case loads and  
his exemplary performance in handling these cases without direct  
supervision. The level of responsibility assigned to [redacted]  
is usually carried by officers in higher grades. His competence and  
maturity are respected by his subordinates and superiors alike. It  
STAT is my opinion that [redacted] is an officer of high integrity,  
intelligence and logical decision making. He has demonstrated a  
capacity to compete favorably in the legal profession and I highly  
recommend your consideration for his admission to the Virginia bar.

Sincerely,

[redacted]

Harry E. Fitzwater  
Deputy Director  
for  
Administration

Mr. Henry Fitzwater  
Deputy Director of Administration  
Central Intelligence Agency  
McLean, Virginia 22101

Dear Mr. Fitzwater:

Our Conference has, as one of its purposes, the work of investigating those attorneys of one state who seek admission to the bar of another. In this connection, we have been asked to report on [redacted] a member of the bar of the District of Columbia who is applying for admission to the bar of Virginia.

[redacted] a graduate of the University of Central Florida, received the M.C.S. degree from the University of Virginia, and the J.D. degree from the University of Florida College of Law. Since December 1974 he has been employed with the Central Intelligence Agency in the Office of General Counsel in McLean, Virginia where he is presently Assistant General Counsel.

Since [redacted] has given your name as a reference, we would appreciate your opinion of his integrity, legal ability and fitness for the practice of law.

Thank you for your assistance.

Sincerely,

William H. Morris  
Director of Administration
